Exhibit 6

Australian Gold Inc.

September 18, 2002

Re: Batch Numbers

To Whom it May Concern:

The present is to certify that the combination of numbers and letters that appear on the back of the Australian Gold products are assigned by our laboratory to identify the production batch and are not related to the expiration date of the products.

Australian Gold products are distributed and marketed by Australian Gold, Inc., which is located at 6270 Corporate Drive in Indianapolis, IN.

Sincerely,

Val McNamara
